

PAGE 1 OF 2.

Color tongue on this page and lips on page 2. Cut out tongue, including strip across top. On page 2, cut slit between lips, along line. Insert tongue into slit, as pictured. Fold bottom of page 2 back, in half; tape together along 3 open sides, enclosing tongue inside.

When you say the verse, pull the tongue down as you say "Keep your tongue from evil"; lift the tongue up to reveal words as you say "and your lips from speaking lies."
