

Color. Starting at this end, roll up tightly (about 1/2" diameter), so that flute and verse show when rolled up, forming flute. Tape across long end. Punch a hole in mouth piece (black circle). Hold flute up to mouth, with flute on right side; left hand closest to mouth, in front of flute; right hand behind flute; fingers above, thumbs under flute. Blow, with voice, across hole ("Hoo, hoo, hoo").
