

Cut out full box along solid lines. Fold in half along center dotted line (with pictures on outside). Fold along two remaining dotted lines (double thickness), so that spring picture is hidden, and reference, winter and rain are showing. Color. After you say "See! The winter is past," unfold winter flap; after you say, "the rains are over and gone", unfold rain flap, showing full spring picture; finish verse ("Flowers appear on the earth; the season of singing has come").

The winter is past;

See!
