your ears  
will hear

a voice behind  
you, saying,

to the right

"This is the way,

or to the left,

walk in it."

Color. Cut out 10 "street signs". Cut out a strip of poster board or cardboard about 1"x11". Glue first 5 signs on one side, leaving about 1/4" on top and between signs. Turn over. Glue last 5 signs on other side, matching back-to-back with first 5 signs.
