

Color. Cut out 5 finger puppets. Roll each piece, overlapping ends about 1/8" to 1/2", depending on finger size. Tape. Put on fingers, in order, with Jesus on thumb. As you say the verse, hold up first two fingers ("Where two"), then third finger ("or three"); add fourth finger ("are gathered in my name"); then add thumb for full hand spread ("there I am in the midst of them").

Suggestion for storage in notebook: Trace hand onto construction paper; cut out. Staple traced hand, at wrist or palm, onto full sheet of construction paper. Place finger puppets onto fingers of traced hand.
