

Cut out runner and hurdles. (Cut hurdles as rectangles, including legs and words, down to top of hurdle underneath.) Fold hurdle legs (with words) under, forming a base so hurdle will stand. Set hurdles up, in order, on track. Run the race with the runner, saying each part of the memory verse as he jumps each hurdle. Try to run the race without having to knock down any hurdles to see the words. Suggestion for storage in notebook or folder: tape base of each hurdle, in order, to construction paper, forming a path (straight, or semi-circle). From another piece of paper, cut out a 2"x2" square; tape along 3 sides of square to construction paper, forming pocket for runner. Fold hurdles down to store. Lift them up to jump the hurdles with the runner.

If you confess

with your mouth

"Jesus is Lord"

and believe

in your heart

that God raised him

from the dead,

you will be saved.
