

Whoever sows sparingly

will also reap sparingly;

Cut outside edges of double pig. Fold. Cut out piece under tummy. Glue together along right and left edges (don't get glue close to center). Cut out money strips. Place in coin slot (penny on top). As you say the verse, push each money card down, and out bottom hole. Optional: Make a tail by curling a pipe cleaner around your finger, or using a scissor blade to curl a 6" - 8" strip of "curly" ribbon; tape or glue onto pig.
