

Choose boy or girl. Cut out boxes with Jesus and 1 child. Cut short vertical slits where indicated (2 at bottom of each box). Cut out verse strip along bottom. Weave verse strip through slits on child and slits on Jesus, with child on left and Jesus on right. Tape left and right ends of verse strip onto a sheet of construction paper, with bottom edge of strip about 2" above bottom edge of paper. Slide child all the way to the left; slide Jesus all the way to the right. As you say "Come near to God," slide child to middle; as you say "and He will come near to you," slide Jesus to middle.

James 4:8 "Come near to God, and He will come near to you."
