

In his
heart

a man

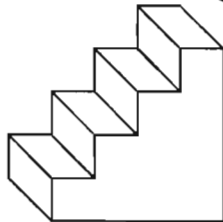

plans his
course,

but
the Lord

determines
his steps.

PROVERBS 16:9

Cut out shoe prints. (See Optional Note below.) Place them on the floor ("plan your course"), in order, about 12" apart. Step on each shoe print as you say the verse. Turn one shoe print over so picture doesn't show. Step through the course again as you say the verse. Repeat until all are turned over. Store shoe prints in an envelope.

OPTIONAL: Place child's foot or shoe on construction paper; trace; cut out. Use as a pattern to trace and cut 5 more foot prints. (You can turn 3 of them over to make alternating steps). Glue memory verse shoes onto child's foot prints.

DISCUSSION: What course are you planning for your life? How could the Lord change your steps?
