

Color. Cut across horizontal line. Cut out picture wheel (FIGURE A). Cut out middle section of umbrella. With FIGURE A behind umbrella, fasten together at the X's with a paper fastener. Follow the pictures in the word picture box as you say the verse. Each time you come to the small umbrella picture (...), turn FIGURE A until the LAW picture shows in the large umbrella, reading "are not under law"; then turn to the GRACE picture, reading "but under grace." Continue with rest of verse.
