

2 Corinthians
10 : 4

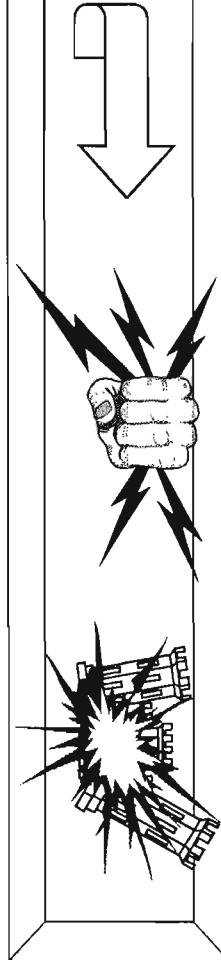

The weapons we fight with are
not the weapons of the world.

Color. Cut out sword and cross. Use cross as a pattern to cut another cross out of posterboard or cardboard. Glue sword on one side of posterboard; glue cross on other side.

DISCUSSION: What are the weapons of the world? What are the spiritual weapons we fight with? Who is our enemy? What stronghold is this verse referring to (see verse 5)? How can we demolish those strongholds?

On the contrary, they have divine
power to demolish strongholds.

ACTIVITY: Build forts (strongholds) out of blocks, or make paper tents (fold a paper in half and stand it up like a tent). Write down some of lies Satan uses to try to shake our faith; then write God's truth about each one. Label each stronghold you built with a lie from Satan; place the corresponding truth inside the stronghold. Use your sword to "demolish" Satan's strongholds and find God's truth inside.
