

Color. Cut out pieces. Punch holes in leg pieces and heart feet, where indicated. Staple big heart to a toilet paper tube. Punch 2 holes toward bottom of tube, for the top of each leg. Using paper fasteners, fasten 2 leg pieces to tube at holes. Fasten other 2 leg pieces at the "knees" with paper fasteners. Fasten heart feet at "ankles" with paper fasteners. Keep paper fasteners loose so that pieces will move. Put fingers into tube and "dance" the puppet as you say the verse. Make puppet "leap for joy"!

ACTIONS: Stand on chair or stool. Jump off when you say, "My heart LEAPS for joy." Hold hands in front of you, with palms up, as though handing a gift to someone, as you say, "and I will GIVE thanks". Raise hands up in air, palms still up, as though giving your gift to God, as you say, "to HIM". As you shout "in song", circle arms and do a cheerleader jump.
